KAHURA MUNDIA

FOR DEPUTY NATIONAL
CHAIRPERSON, KMPDU

I, Kahura Mundia, is vying for the position of National Deputy Chairperson (Vice Chairmanship), Kenya Medical Practitioners, Pharmacists and Dentists Union, 2021-2025.

I am in full realisation of the calling I would assume as Deputy Chairperson of the Union, I do solemnly affirm that I will competently and faithfully execute Union mandates; that I will obey, preserve, protect and defend the Union Constitution, as by law established, and all other laws of the Republic of Kenya; and that I will protect and uphold the sovereignty, integrity and dignity of the Healthcare Doctors Tribe of Kenya.

I seek the doctors' vote of confidence in the realization of my duty, passions and service towards prosperity and posterity of our Union.

In how to transform the union, I continuously advocate for reforms in areas around healthcare, have served professional associations and societies with management and legal advice, and aided in a number of healthcare case prosecutions. This much is in addition to my dedicated research and writing on numerous healthcare, labour and union matters. I feel my amount of dedication, inputs and skillset would be greatly beneficial if it came from within the union.

So help me God. ”

DR KAHURA MUNDIA, BDS(UON), LLB(UON)
MBA-HEALTHCARE (STRATHMORE)
MDS-OMFS(UON PGIV)
